Server Console

Status Poll - ZBR3919744

```
[15.05.2013 10:00:29] **** Poll request sent to server ****
[15.05.2013 10:00:29] Poll request accepted
[15.05.2013 10:00:29] Starting status poll for node ZBR3919744
[15.05.2013 10:00:29] Checking SNMP agent connectivity
[15.05.2013 10:00:29] Starting status poll on interface LOOPBACK
[15.05.2013 10:00:30] Current interface status is DISABLED
[15.05.2013 10:00:30] Retrieving interface status from SNMP agent
[15.05.2013 10:00:30] Interface status retrieved from SNMP agent
[15.05.2013 10:00:30] Interface is DISABLED for 2813 polls (1 poll required for status change)
[15.05.2013 10:00:30] Interface status after poll is DISABLED
[15.05.2013 10:00:30] Finished status poll on interface LOOPBACK
[15.05.2013 10:00:30] Starting status poll on interface 802.11b
[15.05.2013 10:00:30] Current interface status is DISABLED
[15.05.2013 10:00:30] Retrieving interface status from SNMP agent
[15.05.2013 10:00:30] Interface status retrieved from SNMP agent
[15.05.2013 10:00:30] Interface is DISABLED for 2813 polls (1 poll required for status change)
[15.05.2013 10:00:30] Interface status after poll is DISABLED
[15.05.2013 10:00:30] Finished status poll on interface 802.11b
[15.05.2013 10:00:30] Starting status poll on interface SMC 91X
[15.05.2013 10:00:30] Current interface status is NORMAL
[15.05.2013 10:00:30] Retrieving interface status from SNMP agent
[15.05.2013 10:00:30] Interface status retrieved from SNMP agent
[15.05.2013 10:00:30] Interface is NORMAL for 2813 polls (1 poll required for status change)
[15.05.2013 10:00:30] Interface status after poll is NORMAL
[15.05.2013 10:00:30] Finished status poll on interface SMC 91X
[15.05.2013 10:00:30] Starting status poll on interface VPN-NIC
[15.05.2013 10:00:30] Current interface status is DISABLED
[15.05.2013 10:00:30] Retrieving interface status from SNMP agent
[15.05.2013 10:00:30] Interface status retrieved from SNMP agent
[15.05.2013 10:00:30] Interface is DISABLED for 2813 polls (1 poll required for status change)
[15.05.2013 10:00:30] Interface status after poll is DISABLED
[15.05.2013 10:00:30] Finished status poll on interface VPN-NIC
[15.05.2013 10:00:30] Node is connected
[15.05.2013 10:00:30] Finished status poll for node ZBR3919744
[15.05.2013 10:00:30] **** Poll completed successfully ****
[15.05.2013 10:00:30] Node status after poll is NORMAL
```
